

[Pride Foundation Australia \(PFA\)](#) is a national philanthropic foundation specifically focused on funding lesbian, gay, bisexual, trans, queer, intersex, asexual and other (LGBTQIA+) community issues in Australia.

The Foundation advocates for systemic change to advance LGBTQIA+ equity and inclusion and provide direct support to affected communities / individuals. PFA raises awareness of LGBTQIA+ disadvantage and works to increase philanthropic support for the Australian LGBTQIA+ and allied communities through fundraising, grant giving, collaboration and commissioning projects.

The Foundation's specific LGBTQIA+ priority areas to date have been: healthy ageing, homelessness and disability, asylum seekers and refugees living in Australia as well as visual, literacy and performing arts.

### **2023 Large Grant Round - Supporting LGBTQIA+ Refugees and People Seeking Asylum**

The Pride Foundation Australia (PFA) announced their second large grant round to a total value of \$20,000 with a focus on supporting sexuality, sex and gender diverse (LGBTQIA+) refugees and people seeking asylum.

Grant applications should be to the value of up to \$20,000 over two years (if applicable).

#### **Funding considerations**

PFA encourages projects that are led by LGBTQIA+ refugees, people seeking asylum and/or people of colour.

Projects that collaborate between refugee and asylum seeker agencies or groups and LGBTQIA+ agencies or groups are also encouraged. Where an LGBTQIA+ refugee-led group is in partnership with another organisation, PFA encourages equal partnership and co-design.

Projects should aim to support sexuality, sex and gender diverse (LGBTQIA+) people who are refugees or seeking asylum in at least one of the following areas:

- Improving access to stable housing,
- Enhancing education and/or workforce participation,
- Enhancing support for community connection and improving settlement outcomes,
- Improving health and/or health literacy,
- Supporting links to LGBTQIA+ services and supports,
- Enhancing cultural engagement and development,
- Improving LGBTQIA+ inclusive practice in services.

Types of projects with a duration of up to two years may include any of the following:

- Community development, or

- Education and training initiatives, or
- Health and wellbeing initiatives, or
- Applied, community-led research with tangible outcomes in the field, or
- Events including arts and cultural or conferences.
